Pastoral Area Meetings “PUT OUT INTO DEEP WATER”

These meetings are all about building a Church of the future, a Church we all can feel part of. The DPC have put together the attached “Put out into the Deep Water” document to remind us what was shared at those earlier summer meetings and what actions were suggested.

These were questions that underpinned a series of evening meetings across the Diocese in May and June. Gathering in our newly formed clusters of parishes, these evenings were about letting the Holy Spirit speak to us in a new and fresh way, and to form us as communities in service of the Gospel now and into the future.
