Prayers for Strength for the Day

Beginning each day in prayer is an excellent habit for our faith lives, and this can include asking God for strength for the upcoming day.

Here's a simple, one-line prayer given to us by Pope Francis that you can pray to ask God for strength each day. You can pray it any time on its own or before other prayers or meditations.

"Lord, I know that in my weakness, I can do nothing without Your help."

The following is another short prayer for strength to begin each day:

"As I begin my day, I turn to You, Lord, and ask for strength. Be my rock whenever the day shakes me. Guide me through the day as I navigate choppy waters that might come my way. Empower me to speak up when I need to, even if my voice shakes. Help me to feel tall in situations that make me small. Be the light that empowers me in darkness. Most of all, help me feel Your loving embrace this day and all days. Amen."
